Triniti J.

2024-2025 Kentuckiana Youth of the Year

"The Boys & Girls Club is not just a place to spend time after school: it is where potential is recognized, leadership is nurtured, and friends become family."

The Club Experience

BGCK fosters safe environments that prioritizes academic success, emotional wellbeing, and diversity, equity, and inclusion for youth in underserved communities. Across our four Club sites in Kentuckiana and Radcliff, KY., children and teens access a diverse array of services including homework help, mentoring, sports, arts programs, and leadership. Clubs are bridging the gap between home and school. By providing welcoming spaces and life-changing programs, BGCK cultivates positive experiences, fostering supportive relationships with caring adults to thrive. We are proud to have launched the first ever Club on wheels; the Justin Thomas Mobile Learning Lab. This allows us to meet young people where they are and offer our services to youth who may not be able to come to one of our traditional Club sites.
