

Our Mission

To inspire and enable all young people, especially those who need us most, to realize & develop their potential as productive, responsible, & caring citizens.

2022

IMPACT REPORT

“ Kids like me are not a product of the environment we grow up in ”

Christeen Wremeo
KY State Youth of the Year

Christeen Wremeo, a member of the Newburg Boys & Girls Club, was recently named 2023 Youth of the Year. She wants everyone to know that where you come from is only a small part of who you are & not what makes you or determines who you become. Growing up, her family moved often causing detachment & self-isolation, ultimately developing into social anxiety. It wasn't until her mother encouraged her to attend a Club that Christeen found purpose to become the true leader she is. She has become a trailblazer at her Club leading initiatives with feeding the homeless & serving in the kitchen. She is no longer waiting for the change she hopes to see in the world but is acting as that change, and has a vision that all youth will advocate for themselves and start planning for a greater tomorrow, today.

The Club Experience

Boys & Girls Clubs fill the gap between school and home. We provide welcoming, positive environments in which kids and teens have fun, participate in life-changing programs, and build supportive relationships with peers and caring adults.

The Need in Our State

Every day 1 in 5 kids in Kentucky leave school with nowhere to go.¹ They risk being unsupervised, unguided and unsafe.
